

MICHIGAN, MARQUETTE. The Department of Geography at Northern Michigan University invites applications for a two-year term appointment as a **Physical/Environmental Geographer** at the Instructor/Assistant Professor level beginning August 2008. The successful applicant will have the ability to teach introductory Physical Geography, Environmental Science, Biogeography, and a course that complements at least one of the Department's major programs.

Applicant should hold a Ph.D. in Geography or closely allied discipline at the time of their appointment. ABDs will be considered. Preference will be given to candidates who can demonstrate a strong commitment and ability to provide excellent undergraduate instruction, and complement existing department programs. All applicants must be eligible to work in the U.S.

Send a letter of application, CV, any evidence of teaching effectiveness, and the names, addresses, phone numbers, and e-mail addresses of three references to the address listed below. Review of applications will begin on June 19, 2008, and continue until the position is filled.

NMU is located on Michigan's beautiful Upper Peninsula, on the south shore of Lake Superior. The local environment offers outstanding opportunities for research and instruction, as well as an exceptional way of life. For information about the University and Department of Geography visit [www.nmu.edu](http://www.nmu.edu).
