

<u>Organization</u>	<u>Primary Focus</u>	<u>Contact</u>	<u>Title</u>
3DI Geographic Technologies Co.	Land Cover Mapping, Farm/Land Manager Info System, Precision Agriculture, Land Use Planning	Monty Deel Bill Bernard	President Director, Remote Sensing
Blackwater National Wildlife Refuge	Wetlands mapping & monitoring	Glenn Carowan Richard Gooch Thomas Eagle	Project Leader Deputy Project Leader Forester
Bowie State University	Land Cover Mapping, Land Use Planning	William Lawrence	Associate Professor, Dept. of Natural Sciences
Cacapon Institute	Watershed Management	W. Neil Gillies	Director
Central Shenandoah Planning District Commission	Land Use Planning	Bill Strider Matthieu Denuelle	Director GIS Specialist
Chesapeake Bay Program, EPA	Land Cover Mapping, Watershed Management, Coastal Land Management, Coordinated Environmental Monitoring	Richard Batiuk	Deputy Director
DAAC-GSFC	Land Cover Mapping	Paul Chan	Manager
EarthSat	Farm/Land Manager Info System, Outreach	Roger Mitchell	Vice President
Friends of Jug Bay	Wetlands	Doug Kuzmiak	President
George Washington-Jefferson National Forest	Land Use Planning	James O'Hear	Geographer
GLOBE	Outreach	Margaret Finarelli	Deputy Director
JMU, Applied Spatial Research Center / Regional Applications Center, Center for Geog. Info Science	Land Cover Mapping, Land Use Planning, Coordinated Environmental Monitoring	Glen Gustafson James Wilson Stephen Wright Helmut Kraenzle	Professor Lab Director Co-Director Co-Director, Associate Prof.
Loundon Environmental Indicators Project (LEIP)	Land Use Planning, Coordinated Environmental Monitoring	Douglas Fuller	Assistant Professor, George Washington University
Lord Fairfax Planning District Commission	Land Use Planning	Thomas Christoffel	Executive Director
Md Office of Planning	Land Use Planning	Mike Lettre Joe Tassone	Associate Director Deputy Chief
MD Dept of Natural Resources	Land Management, Wetlands mapping and monitoring	William Burgess	Program Manager GIS Division
MD Sea Grant	Watershed Management	Larry Harding Chris D'Elia	Rsrch Professor Director, Professor
MNCPPC Montgomery County	Land Use Planning	Jeffrey Zyontz Mary Dolan	Acting Chief, County-wide Planning Division Planner
MWCOG	Land Cover Mapping, Watershed Management, Coordinated Environmental Monitoring	Edward Graham	Director
NASA GSFC	Outreach	Blanche Meeson	Asst. Dir, Earth Science for Educ. & Outreach
National Renewable Energy Lab (NREL)	Renewable Energy	David Renne	NREL Principal Investigator
NBC Channel 4	Outreach	Andrew Humphrey David Jones	

SAES/USDA-CSREES National Environmental Initiative	Outreach	Mary Ellen Devitt	Project Coordinator
Smithsonian Environmental Research Center	Land Cover Mapping, Coordinated Environmental Monitoring	Don Weller	Quantitative Ecologist
Shenandoah National Park	Watershed Management, Land Use Planning	Dan Hurlbert	GIS Specialist
Shenandoah Valley Pure Water 2000 Forum	Watershed Management, Outreach	Kary Phillips	Watershed Coordinator
Univ Ohio, Toledo, Remote Sensing, Lake Erie Research and Educ. Center	Land Cover Mapping	Kevin Czajkowski	Assistant Professor
UMCP, Agric. & Resource Economics	Land Use Planning	Nancy Bockstael	Professor
UMCP, College of Agriculture	Farm/Land Manager Info System, Precision Agriculture	Tom Fretz	Dean
UM Appalachian Environmental Lab	Watershed Management, Coordinated Environmental Monitoring	Lou Pitelka* Robert Gardner	Director, Professor Professor
UMCP, Center for Environmental Science	Watershed Management, Coordinated Environmental Monitoring	Donald Boesch*	President
UMCP, Dept of Civil Engineering	Watershed Management	Glenn Moglen	Assistant Professor
UMCP, Dept. NRLA	Farm/Land Manager Information Systems, Precision Agriculture, Watershed Management	Richard Weismiller	Professor and Chair, Science Advisory Committee, Chesapeake Bay Program
UMCP, Dept. of Geog.	Land Cover Mapping, Coordinated Environmental Monitoring, Biological Resources	Stephen Prince Scott Goetz Michael Kearney John Townshend Sam Goward Jeff Masek	Professor Research Scientist Associate Prof. Professor Professor, Chair Research Scientist
UMCP Media Relations	Outreach	Leon Tune	Science & Tech. Media Relations
UMCP, Meteorology	Air Quality, Renewable Energy	Russ Dickerson Rachel Pinker Da-Lin Zhang	Prof. and Chair Professor Assoc. Professor
USDA Forest Service	Land Cover Mapping, Watershed Management, Air Quality, Coordinated Environmental Monitoring	Richard Birdsey John Hom	Program Manager Asst Program Manager
USGS	Land Cover Mapping, Watershed Management, Coordinated Environmental Monitoring, Biological Resources	Eric Anderson John Jones Peter Murdoch John Sauer Sam Droege	Chief, Mapping Applications Center Geographer Biologist Biologist
Valley Conservation Council	Land Use Planning	John Hutchinson Faye Cooper	Special Projects Coordinator Exec. Director
Virginia Geographic Info Network	Land Use Planning	Bill Shinar	Coordinator
